

Compare AmHeart's Services to Other Hospices

Not all hospice's are alike. See the AmHeart difference! Use this hand comparison chart and make an informed decision.

	 AmHeart	Competitor	Competitor	Competitor
State License	<input checked="" type="checkbox"/>			
Medicare Certified	<input checked="" type="checkbox"/>			
Covers all medications, including over-the-counter as related to the terminal conditions and appears on the plan of care	<input checked="" type="checkbox"/>			
Uses a formulary (drugs must be on an approved, limited list)	<input checked="" type="checkbox"/>			
Average frequency of visits is every other day (meet or exceed industry standard for nursing care)	<input checked="" type="checkbox"/>			
Low patient to nurse staffing ration (more quality time spent with the patient)	<input checked="" type="checkbox"/>			
Reimburses nursing homes in 30 days	<input checked="" type="checkbox"/>			
Newsletter & regular educational mailings	<input checked="" type="checkbox"/>			
Quality Assurance (documentation in your file and ours)	<input checked="" type="checkbox"/>			
Provides a mini-manual (how to bill, when to admit, educational material, LMRP's)	<input checked="" type="checkbox"/>			
Attends your care conferences	<input checked="" type="checkbox"/>			
Proves in-services & continuing educational credits for physicians and your staff	<input checked="" type="checkbox"/>			
Family & staff support at time of death (we welcome your call, 24 hr/day, we want to be there)	<input checked="" type="checkbox"/>			
13-month follow-up bereavement care for family	<input checked="" type="checkbox"/>			

When a cure is no longer possible, caring still is.
